

TO The Kind Gentleman at
Dunsmuir Lodge

We would like to say thank you
for your Hospitality you showed us
on Friday May 22nd.

It is so refreshing to see someone
take pride in what they do, & who
appreciates our business, unlike so
many these days.

You made us feel so welcome
you were so kind and it was late.

The room was nice we got such
a good night sleep. your place is
so beautiful & quite.

We can't wait to bring the family
back. and hopefully stay longer.

We also had Breakfast in town
it was a cute little Town.

Thank You, Again
